How do I use Alexa to control Roborock?

Note: Make sure your robot is added and online on app Mi Home first.

1.Go to "Skills & Games" then search for "Mi Home"

2. Link your Mi Home app to Alexa to discover devices in your Mi Home account that Alexa can control.

~		= SETUP		
Discover Devices				
Smart Home devices must be discovered before they can be used with Alexa.	Alexa is discovering devices	8 devices discovered		
	This may take longer than 20 seconds			
CANCEL DISCOVER DEVICES				

3. If Alexa does not show "discover devices" option, go to setting to discover manually.

	0	=	SETUP	0	<	SETUP	0	
		What type of device are you setting up? エ		ou	Connect your device to Alexa 1. Set up your device following the device brand			
	-				app instructions 2. Follow the device brand instructions for connecting your device to Alexa			
Add Device		Ĵ= Thermostat						
Lists	Evening 83°	Lock						
Reminders & Alarms		1 Lock						
Contacts		 Security Syst 	em					
Routines								
Things to Try		⊥ TV						
Skills & Games		Speaker						
Activity		Microwave						
Help & Feedback

	dexa wish	i Other				DISCOVER DEVIC	ES	
	Cervices	Home Communicate	O Play	Devices	Home Come	nunicate	Play Devices	

4. Go to devices list and check if the robot appears and now you can use your Alexa smart speakers to start and stop cleaning.

Note: At present, Alexa smart speaker could only start and stop robot by skill Roborock Home or Mi Home.
