## How do I connect my robot cleaner to Roborock app on an Android device?

1. Download the Roborock from Google Play.

2. Select your current region and register for a Roborock account by your phone number

	<	Sign up		<	Log in to a	account

3. Connect robot cleaner to Roborock app.

Notes:

- a. Make sure your phone is already connected to Wi-Fi;
- b. Open the top of your cleaner to see the Wi-Fi indicator light during the connection process.

3.1	Tap the	"+"	icon to add a	device and	enable	location	permission.
-----	---------	-----	---------------	------------	--------	----------	-------------

3.2 Detect nearby devices and add your robot cleaner.

## Add robot vacuum cleaner
